INDIANA CODE § 25-29-1

Chapter 1. Regulation of Podiatrists

IC 25-29-1-0.5 Unauthorized Practice of Podiatric Medicine; Excluded Activities

Sec. 0.5 (a) This article, as it relates to the unlawful or unauthorized practice of podiatric medicine, does not apply to any of the following:

- (1) A student in training in a podiatric medical school approved by the board, or while performing duties as an intern or a resident in a hospital under the supervision of the hospital's podiatric staff or in a program approved by the board.
- (2) An individual who renders service in case of emergency when no fee or other consideration is contemplated, charged or received.
- (3) Commissioned podiatric medical officers or podiatric medical service officers of the armed forces of the United States Department of Veterans Affairs in the discharge of their official duties in Indiana who are also licensed to practice podiatric medicine in another jurisdiction in the United States.
- (4) An individual who is licensed to practice podiatric medicine in another jurisdiction, and is called in for consultation by an individual licensed to practice podiatric medicine in Indiana.
- (5) An individual administering a domestic or family remedy to a member of the individual's family.

- (7) A school corporation and a school employee who acts under IC 34-30-14 (or IC 34-4-26.5-3.5 before its repeal).
- (8) A chiropractor practicing the chiropractor's profession under IC 25-10 or to an employee of a chiropractor acting under the direction and supervision of the chiropractor under IC 25-10-1-13.

- (11) A physical therapist practicing the physical therapist's profession under IC 25-27.

An employee may not make a diagnosis or prescribe a treatment and must report the results of an examination of a patient conducted by the employee to the employing podiatrist or a podiatrist of the employing group under whose supervision the employee is working. An employee may not administer medication without the specific order of the employing podiatrist or a podiatrist of the employing group. Unless an employee is licensed or registered to independently practice in a profession described in subdivision (8) through (12), nothing in this subsection grants the employee independent practitioner status or the authority to perform patient services in an independent practice in a profession.

(14) A hospital licensed under IC 16-21 or IC 12-25.

(15) A health care organization whose members, shareholders or partners are individuals, partnerships, corporations, facilities or institutions licensed or legally authorized by this state to provide health care or professional services as:

- (2) the act qualifies in whole or in part as the practice of podiatric medicine.

(c) An employment or other contractual relationship between an entity described in subsection (a)(14) through (a)(15) and a licensed podiatrist does not constitute the unlawful practice of podiatric medicine under this article if the entity does not direct or control independent medical acts, decisions or judgment of the licensed podiatrist. However, if the direction or control is done by the entity under IC 34-30-15 (or IC 34-4-12.6 before its repeal), the entity is excluded from the application of this article as it relates to the unlawful practice of podiatric medicine.

(d) This subsection does not apply to a prescription or drug order for a legend drug that is filled or refilled in a pharmacy owned or operated by a hospital licensed under IC 16-10-1. A podiatrist licensed in Indiana who permits or authorized a person to fill or refill a prescription or drug order for a legend drug except as authorized in IC 16-6-8-3 is subject to disciplinary action under IC 25-1-9. - (4) administration of examinations; and
- (5) administration of license or certificate issuance or renewal.

(b) In addition the agency:

- (1) shall prepare a consolidated statement of the budget requests of all the boards in section 3 of this chapter;
- (2) may coordinate licensing or certification renewal cycles, examination schedules, or other routine activities to efficiently utilize

agency staff, facilities, and transportation resources, and to improve accessibility of board functions to the public;

(3) may consolidate, where feasible, office space, recordkeeping, and data processing services; and

(4) shall operate and maintain the electronic registry of professions established under IC 25-1-5.5.

(c) In administering the renewal of licenses or certificates under this chapter, the agency shall send a notice of the upcoming expiration of a license or certificate to each holder of a license or certificate at least sixty (60) days before the expiration of the license or certificate. The notice must inform the holder of the license or certificate of the need to renew and the requirement of payment of the renewal fee. If this notice of expiration is not sent by the agency, the holder of the license or certificate is not subject to a sanction for failure to renew if, once notice is received from the agency, the license or certificate is renewed within forty-five (45) days after receipt of the notice.

(d) In administering an examination for licensure or certification, the agency shall make the appropriate application forms available at least thirty (30) days before the deadline for submitting an application to all persons wishing to take the examination.

(e) The agency may require an applicant for license renewal to submit evidence proving that:

(1) the applicant continues to meet the minimum requirements for licensure; and

(2) the applicant is not in violation of:

(A) the statute regulating the applicant's profession; or

(B) rules adopted by the board regulating the applicant's profession.

(f) The agency shall process an application for renewal of a license or certificate:

(1) not later than ten (10) days after the agency receives all required forms and evidence; or

(2) within twenty-four (24) hours after the time that an applicant for renewal appears in person at the agency with all required forms and evidence.

This subsection does not require the agency to issue a renewal license or certificate to an applicant if subsection (g) applies.

(g) The agency may delay issuing a license renewal for up to ninety (90) days after the renewal date for the purpose of permitting the board to investigate information received by the agency that the applicant for renewal may have committed an act for which the applicant may be disciplined. If the agency delays issuing a license renewal, the agency shall notify the applicant that the applicant is being investigated. Except as provided in subsection (h), before the end of the ninety (90) day period, the board shall do one (1) of the following:

(1) Deny the license renewal following a personal appearance by the applicant before the board.

(2) Issue the license renewal upon satisfaction of all other conditions for renewal.

(3) Issue the license renewal and file a complaint under IC 25-1-7.

(5) Upon agreement of the applicant and the board and following a personal appearance by the applicant before the board, renew the license and place the applicant on probation status under IC 25-1-9-9.

(i) If the board makes a request under subsection (g)(4), the office of the attorney general shall conduct an investigation. Upon completion of

the investigation, the office of the attorney general may file a petition alleging that the applicant has engaged in activity described in IC 25-1-9-4. If the office of the attorney general files a petition, the board shall set the matter for a hearing. If, after the hearing, the board finds the practitioner violated IC 25-1-9-4, the board may impose sanctions under IC 25-1-9-9. The board may delay issuing the renewal beyond the ninety (90) days after the renewal date until a final determination is made by the board. The applicant's license remains valid until the final determination of the board is rendered unless the renewal is denied or the license is summarily suspended under IC 25-1-9-10.

(j) The license of the applicant for a license renewal remains valid during the ninety (90) day period unless the license renewal is denied following a personal appearance by the applicant before the board before the end of the ninety (90) day period. If the ninety (90) day period expires without action by the board, the license shall be automatically renewed at the end of the ninety (90) day period.

(k) Notwithstanding any other statute, the agency may stagger license or certificate renewal cycles. However, if a renewal cycle for a specific board or committee is changed, the agency must obtain the approval of the affected board or committee.

(l) An application for a license, certificate, registration, or permit is abandoned without an action of the board, if the applicant does not complete the requirements to complete the application within one (1) year after the date on which the application was filed. However, the board may, for good cause shown, extend the validity of the application for additional thirty (30) day periods. An application submitted after the abandonment of an application is considered a new application.

845 IAC 1-6-1 Standards of professional conduct and practice

Authority: IC 25-29-1-3

Sec. 1. A podiatrist shall: (a) Maintain the confidentiality of all knowledge and information regarding a patient, including, but not limited to, the patient's diagnosis, treatment and prognosis, and of all records relating thereto, about which the podiatrist may learn or otherwise be informed during the course of, or as a result of, the patient-practitioner relationship. Information about a patient shall be disclosed by a podiatrist when required by law, including, but not limited to, the requirements of IC 34-4-12-6-1 [IC 34-4 was repealed by P.L.1-1998, SECTION 221, effective July 1, 1998.], and IC 16-4-8-1 [IC 16-4 was repealed by P.L.2-1993, SECTION 209, effective July 1, 1993.], and any amendments thereto, or when authorized by the patient or those responsible for the patient's care.

(b) Give a truthful, candid and reasonably complete account of the patient's condition to the patient or to those responsible for the patient's care, except where a podiatrist reasonably determines that the information is or would be detrimental to the physical or mental health of the patient, or in the case of a minor or incompetent person, except where a practitioner reasonably determines that the information is or would be detrimental to the physical or mental health of those responsible for the patient's care.

(c) Give reasonable written notice to a patient or to those responsible for the patient's care when the podiatrist withdraws from a case so that another practitioner may be employed by the patient or by those responsible for the patient's care. A podiatrist shall not abandon a patient. A podiatrist who withdraws from a case, except in emergency circumstances, shall, upon written request, and in conformity with the provisions of IC 16-4-8-1 [IC 16-4 was repealed by P.L.2-1993, SECTION 209, effective July 1, 1993.] through IC 16-4-11 [IC 16-4 was repealed by P.L.2-1993, SECTION 209, effective July 1, 1993.], and of any subsequent amendment or revision of said statute, make available to his patient or to those responsible for the patient's care, all records, test results, histories, x-rays, radiographic studies, diagnoses, files and information relating to said patient which are in the podiatrist's custody, possession or control, or copies of such documents.

(d) Exercise reasonable care and diligence in the treatment of patients based upon generally accepted and approved scientific principles, methods, treatments, and current professional theory and practice.

(e) Not represent, advertise, state or indicate the possession of any degree recognized as the basis for licensure to practice podiatric medicine and surgery unless the podiatrist is actually licensed on the basis of such degree in the state(s) in which he practices.

(f) Obtain consultation whenever requested to do so by a patient or by those responsible for a patient's care. Further, the podiatrist shall refer a patient to another practitioner in any case where the referring podiatrist does not consider himself qualified to treat the patient, and may refer the patient to another practitioner where the referring podiatrist is unable to diagnose the illness or disease of the patient.

(g)

(1) A podiatrist who has personal knowledge based upon a reasonable belief that another podiatrist has engaged in illegal, unlawful, incompetent or fraudulent conduct in the practice of podiatry shall promptly report such conduct to a peer review or similar body, as defined in IC 34-4-12.6-1(c) [IC 34-4 was repealed by P.L. 1-1998, SECTION 221, effective July 1, 1998.], having jurisdiction over the offending podiatrist and the matter. This provision does not prohibit a podiatrist from promptly reporting said conduct directly to the committee of podiatric medicine. Further, a podiatrist who has personal knowledge of any person engaged in, or attempting to engage in, the unauthorized practice of podiatric medicine, osteopathic medicine or medicine shall promptly report such conduct to the committee of podiatric medicine.

(2) A podiatrist who voluntarily submits himself/herself to, or is otherwise undergoing a course of treatment for, addiction, severe dependency upon alcohol or other drugs or controlled substances, or for psychiatric impairment, where such treatment is sponsored or supervised by an impaired podiatrists committee of a state, regional or local organization of professional health care providers, or where such treatment is sponsored or supervised by an impaired podiatrists committee of a hospital, shall be exempt from reporting to a peer review committee as set forth in subsection (g)(1) or to the committee of podiatric medicine for so long as:

(A) the podiatrist is complying with the course of treatment;

(B) the podiatrist is making satisfactory progress. If the podiatrist fails to comply with, or is not benefited by, the course or treatment, the podiatrist chief administrative officer, his designee, or any member of, the impaired podiatrists committee shall promptly report such facts and circumstances to the committee of podiatric medicine. This subsection shall not, in any manner whatsoever, directly or indirectly, be deemed or construed to prohibit, restrict, limit or otherwise preclude the committee of podiatric medicine from taking such action as it deems appropriate or as may otherwise be provided by law.

(h) A podiatrist may administer local anesthesia.

(i) Podiatrists may prescribe and administer drugs necessary in the practice of their profession if they apply to a primary condition or disease of the foot. A podiatrist with staff privileges within a hospital, medical or health care facility may prescribe such drugs, medicines, or treatments to maintain the health of the patient in conjunction and cooperation with the co-admitting physician, the patient's physician, or the medical director (M.D. or D.O.) of the facility.

(j) The podiatric surgeon of record is responsible for maintaining the health of the patient pre-operatively, operatively, and post-operatively until the patient is discharged from his service, except for the regular long-term or systematic control of systemic diseases that are under the care of a medical or osteopathic physician.

(k) A podiatrist shall not attempt to exonerate himself from or limit his liability to a patient for his personal malpractice, except that a podiatrist may enter into agreements which contain informed, voluntary releases or waivers of liability in settlement of a claim made by a patient or by those responsible for a patient's care.

(l) A podiatrist shall not attempt to preclude, prohibit or otherwise prevent the filing of a complaint against him by a patient or other practitioner for any alleged violation of IC 25-29, 844 IAC 8, or any other law.

(2) the division of fees is made in proportion to actual services performed and responsibility assumed by each practitioner.

(d) A podiatrist shall not pay, demand, or receive compensation for referral of a patient, except for a patient referral program operated by a podiatry association which is approved by the board.

(e) A podiatrist shall not charge a separate and distinct fee for the incidental, administrative, nonmedical service of securing admission of a patient to a hospital or other medical or health care facility.

(f) A podiatrist shall not base his fee upon the uncertain outcome of a contingency, whether such contingency be the outcome of litigation or any other occurrence or condition which may or may not develop, occur or happen.
